

# LUCY JOY AMEH

## Front-End Developer

Front-End Developer with 3+ years of experience building scalable, responsive web applications using modern frameworks like React.js and TypeScript. Proficient in state management, API integration, and performance optimization. Adept at collaborating in fast-paced environments to deliver robust software solutions.

### EXPERIENCES

#### Frontend Developer

TukShop — Vendor Website & SuperAdmin Dashboard

[Tukshop site/Venodr](#)

May 2024-December 2024

- Designed and built an intuitive vendor interface using React, TypeScript, and Mantine UI.
- Implemented a dynamic order timeline showcasing order progress.
- Leveraged Axios and React Query for efficient API integration.
- Integrated Google Maps for precise geolocation services.

#### SuperAdmin Dashboard:

[TukshopSuperAdmin](#)

- Developed advanced analytics and management tools for the SuperAdmin Dashboard.
- Created interactive charts using Recharts and Mantine Charts for data visualization.
- Built real-time notifications and interactive components using Mantine.
- Development Workflow: Streamlined the development with Storybook documentation and test-driven practices using Vitest and Testing Library.

### CORE SKILL

React Js

Next Js

Nuxt Js

TypeScript

### SKILLS

- Experienced in consuming GraphQL APIs, including queries and mutations. Familiar with integrating GraphQL with React.
- Creating web applications
- Maintaining, optimizing, troubleshooting, and improving websites
  - Performance Testing, using JEST and React-Testing-Library & Debugging
  - Creating a Progressive Web App ( PWA)
- Managing state using react-redux, redux-toolkit, zustand, redux-saga & redux-thunk
  - Using React-query Swr and Axios to make HTTP request
  - Developing responsive website using SASS and Tailwind CSS

### Language

English (Professional)

### Address

Lagos Nigeria

### Phone

(+234)8029496750

## Frontend Web Developer

ReferAPro, Canada - North America

July 2023 -January 2024

Referapro

- Enhanced user interface functionalities using ReactJS and Material-UI.
- Analyzed and resolved errors within the existing codebase.
- Implemented responsive design principles and ensured cross-browser compatibility.
- Collaborated with developers to integrate new features into existing projects.
